Contract Term:	1 year with possible extension
Remuneration:	\$75 000pa plus 9.5% superannuation
Benefits:	Salary sacrifice benefits available due to Public Benevolent Institution status 6 weeks annual leave Fully maintained vehicle provided for work purposes

BACKGROUND

EON Foundation (www.eon.org.au) was created in 2005 to provide practical support to improve the health and well-being of Aboriginal people in remote communities. A not-for-profit organisation, EON delivers the EON Thriving Communities Program, focused on improving nutrition through gardening and nutrition education as a basis for chronic disease prevention in Western Australia and now also in the Northern Territory.

An opportunity has arisen for a full time Project Manager, ideally based in Fitzroy Crossing, to deliver the EON Thriving Communities Program to Yiyili, Yakanarra and Jarlmadangah Burru communities in the Central Kimberley.

The new Project Manager will manage and deliver EON's Thriving Communities Program including planning, planting and maintaining edible gardens and delivery of practical gardening, cooking and nutrition lessons, with a particular focus on the school children. The aim of the Program is to help these schools and communities build a sustainable source of fresh healthy food and equip them with the skills to maintain the gardens and good nutrition.

PURPOSE

The role of the Project Manager is to coordinate and supervise the delivery and maintenance of the EON Thriving Communities Program to the 3 communities outlined above in accordance with budget, operational plans and directions from the EON WA Operations Manager.
